

## The Langshott 300 Club

**Feeling Lucky? Why not join the new Langshott 300 Club?** This is a monthly draw that gives each member the chance of winning a cash prize.

A draw will take place on the last Friday of every month and all members have the opportunity to win a monthly cash prize of up to

**1st Prize: £150.00**

**2nd Prize: £80.00**

**3rd Prize: £40.00**

Membership costs just £20.00 a year, and you will be allocated a membership number between 1 and 300.

Membership is open to all parents, carers, staff, family and friends.

It's easy to become a member – just complete and return the application form before 20th September 2018. Remember to include your payment of cash or cheque. Alternatively you can purchase membership to the 300 Club via the online payment system, Scopay.

We are hoping that the fundraising will help us to

- Purchase new outdoor play equipment
- Boost our library and reading resources
- Support the ongoing and growing costs of various subscriptions like Twinkle and Mathletics. As we have grown to a full primary school we have found that all the subscription costs have increased dramatically.

This is a club where you all get the chance to win but ultimately,  
**our pupils will be the guaranteed winners.**

The small print: Members must be 16 or over. Membership numbers will be allocated in order and requests for particular numbers will not be granted. A draw will not take place during the month of August.

If interest is higher or lower than 300 then the prize fund will be adjusted accordingly.

The monthly draw will be conducted using a random number generator system.

Please note that membership purchased from Scopay will incur a £1.00 card processing fee.
