Dear Parents and Carers of Children in Key Stage 2,

As you are aware, we use a lot of resources in the classroom to enable the children to be successful and independent learners in all lessons. Those of you who have purchased the CGP guides will know how valuable these have been in supporting your child's learning in school and at home and how much they enjoy having their own copy.

A dictionary and thesaurus are other key resources that we use across the curriculum and we are aware that some children would love to have their own copy to use in school. Should you wish to purchase the same versions that we use in school (possible stocking fillers perhaps!), here are the links:

Thank you for your support.

Kind regards.
