Dear Parents/Carers,

This year we will be working with Art Project for Schools again to create personalised Christmas cards, tags and wrapping paper. The children have created artwork in school and these designs can be transferred onto Christmas cards which you can buy. The cost of the first pack of cards is £5.50, although subsequent packs of the same design will be just £4.50 and sibling rates also apply. You can buy fantastic gift tags for £2.50 and wrapping paper for £4.50. Each pack will contain 12 cards. A percentage of each sale is given to the school so that we are able to purchase some additional art materials to support the creative curriculum in school.

Parent Ordering Process

To order, you must visit **www.apfsorders.co.uk between 28th October and the 5th November 2019.** Once on the site, you must input the unique code and child's surname from your child's artwork which you will be given to begin the process. From there, you can personalise your order before payment is made using a credit or debit card. (Late orders will be delivered back to the home address and the school will not receive any commission on your order.)

The cards will be delivered back to school during mid November and distributed as quickly as possible.

Many thanks for your support in this venture.
