Langshott Movie Night Thursday 9th February

The Friends Committee are organising a Langshott School Movie Night for the children. The Movie Night will be split into two sessions, they are as follows:

4.00pm - 5.45pm
6.00pm - 7.45pm

Secret Life of Pets
Marmaduke

Reception, Years 1 & 2
Years 3, 4 & 5

The cost is £4 for a snack bag and a drink - so no need for them to have money with them on the night, there will be cups of water available throughout the movie if the children require. If the children would like, they can bring along with them one cuddly, a pillow and blanket which will be their responsibility for the session.

To ensure safety of the children on the night, we ask that you sign your child in by the main reception doors. After the session has finished we will be letting the children out by the main hall doors in year group order and only to the person who is named on your return form. Please bear with us on collection as we need to ensure the safety of children.

This night can only happen if we have enough parent helpers, if you are able to offer help and are DBS checked by the school, please add this to the form and we will contact you if we require additional helpers.

As the movie night is run by the help of parents/carers, if any initial first aid is to be given it will be carried out by those who are first aid trained. If your child has any allergies or any other known medical issues please add details to the form.

Please ensure that your child will be happy to sit and watch the film for their session; if any child is unhappy or poorly behaved at the session, we will contact you immediately to come to collect them.

Please post your fully completed form and your £4 in the Friends Committee white box (playground or main reception) by Friday 3rd February. Unfortunately we are unable to take bookings/money on the night to allow entrance, so you can only book a place in advance.

Places are limited and are on a first come first served basis.

We hope the above has excited the children and they are looking forward to the movie night.

Regards,

The Friends of Langshott
