Happy New Year!

Hello and happy new year! We hope you all enjoyed a fun and restful Christmas break. Since our amazing Christmas Fair on the 2nd December, it's been a quiet couple of months with events, but behind the scenes we have continued to work with the school to find out how we can support their needs best. I'm pleased to say we have committed to spending **£3000** on resources including seeds and equipment for forest school, mood wrist bands, outdoor beanbags, butterfly gardens, maths dictionaries, english dictionaries, phonics pebbles, playdoh and much, much more. In addition we have pledged **£500** for books as well as funds for a new projector and PA system and are also committed to longer term spending going forward. At the end of last term we also surprised the children with class presents from Father Christmas which went down a treat! A total of **£750** was spent on these presents which were an assortment of wet play items for each class requested by the teachers such as games, books, toys and puzzles to make rainy playtimes more fun for all.
