10th November 2023

Dear parents/ carers

As part of our learning in year 4, we have been reading the Iron Man. We have decided to link this to our Science and DT in which we will build our very own Iron Men with light up eyes!

To make this possible, we would like the children to bring in any boxes (e.g. cereal / egg/ shoe/ tin foil) to help in the construction of our characters. We will collect all the recycled materials and distribute between them.

To bring our characters to life, we are going to build electrical circuits to light up their eyes. **If you would like to keep the resources we would ask for a small donation of £3.00 to purchase the bulbs, battery holders and wires. This will need to be paid on scopay by Friday 1st December.**

Please bring in junk modelling items by Friday 1st December

Many thanks

The Year 4 Team
