3rd January 2024

Dear Parents/Carers of Children in Year 3,

STONE AGE DAY

We are very excited to announce the Year 3 Stone Age Day on **Thursday 25th January 2024**. During the day, the children will be taking part in various craft activities and experiences linked to the Stone Age era, including working with salt dough to make necklaces and creating Stone Age recipes.

Dressing Up

The children are encouraged to dress up for the day to really get into character, however, this is optional. They will have a great day regardless. Pre-loved or homemade is always a great idea. You could search the charity shops or if you have parent friends in Key Stage 2, you may wish to ask them if they still have their child's costume from previous years. If your child will not be dressing up for the day, then they will need to come to school in their school uniform. Please see below for some costume ideas. If your child decides to make a Stone Age weapon, it must be made from cardboard or foam.

Yours faithfully,

Year 3 Team
