A note from the committee...

As this school year ends, we would like to say a huge thank you to everyone for supporting our events this year. We've been overwhelmed by the response to our events and hope that the teachers, children and families have enjoyed them as much as we have! As a new committee we have really valued your support as we have found our feet.

This year we have raised a fantastic **£12,164** and provided **£11,771** of funds to support the school towards enriching the children's experience. See the next few pages for more about how we did this and where this has been spent within the school.

It has been amazing seeing everyone come together at the events. None of the events could happen without the support of the whole school community so thank you!

We hope you all have a lovely Summer.

Film Night

We recently had another Film Night where the children got to watch Toy Story and Migration. It was lovely to see so many children supporting the event.

A big thank you goes out to all our volunteers who made it possible for the event to happen.

A special thank you to Lucy Humphrey for helping to organise and run the event - we couldn't have done it without you!

The event raised a fantastic £690!

We need you!

As part of our AGM, we are really wanting to add some more committee members. This can be helping with organising and running events or helping behind the scenes.

If you would like to get more involved, please come along to the AGM, email friendsoflangshott@gmail.com or come and grab one of us! We would be more than happy to chat to you about what it could involve and how you would like to be more involved!

Frozen Fridays

Iceland

Each Friday we have been selling lollies as Frozen Friday. We have been really grateful to all the support over the last few weeks.

Each year group has taken it in turns to provide the helpers and we really couldn't run it without you!

A special mention also goes to Iceland and Antonio and Marina's mum Silvana for helping us get all the ice lollies each week!
