

# News Christmas Fair

Thank you to everybody who attended our Christmas Fair on Friday 6th December - it was a fantastic event for our school community, and we received lots of very positive feedback from parents, teachers and children alike! The fair combined with our hugely successful raffle and silent auction has raised vital funds for our school which will benefit all the children.

**We are excited to announce that this event raised just over £6000 !!!**

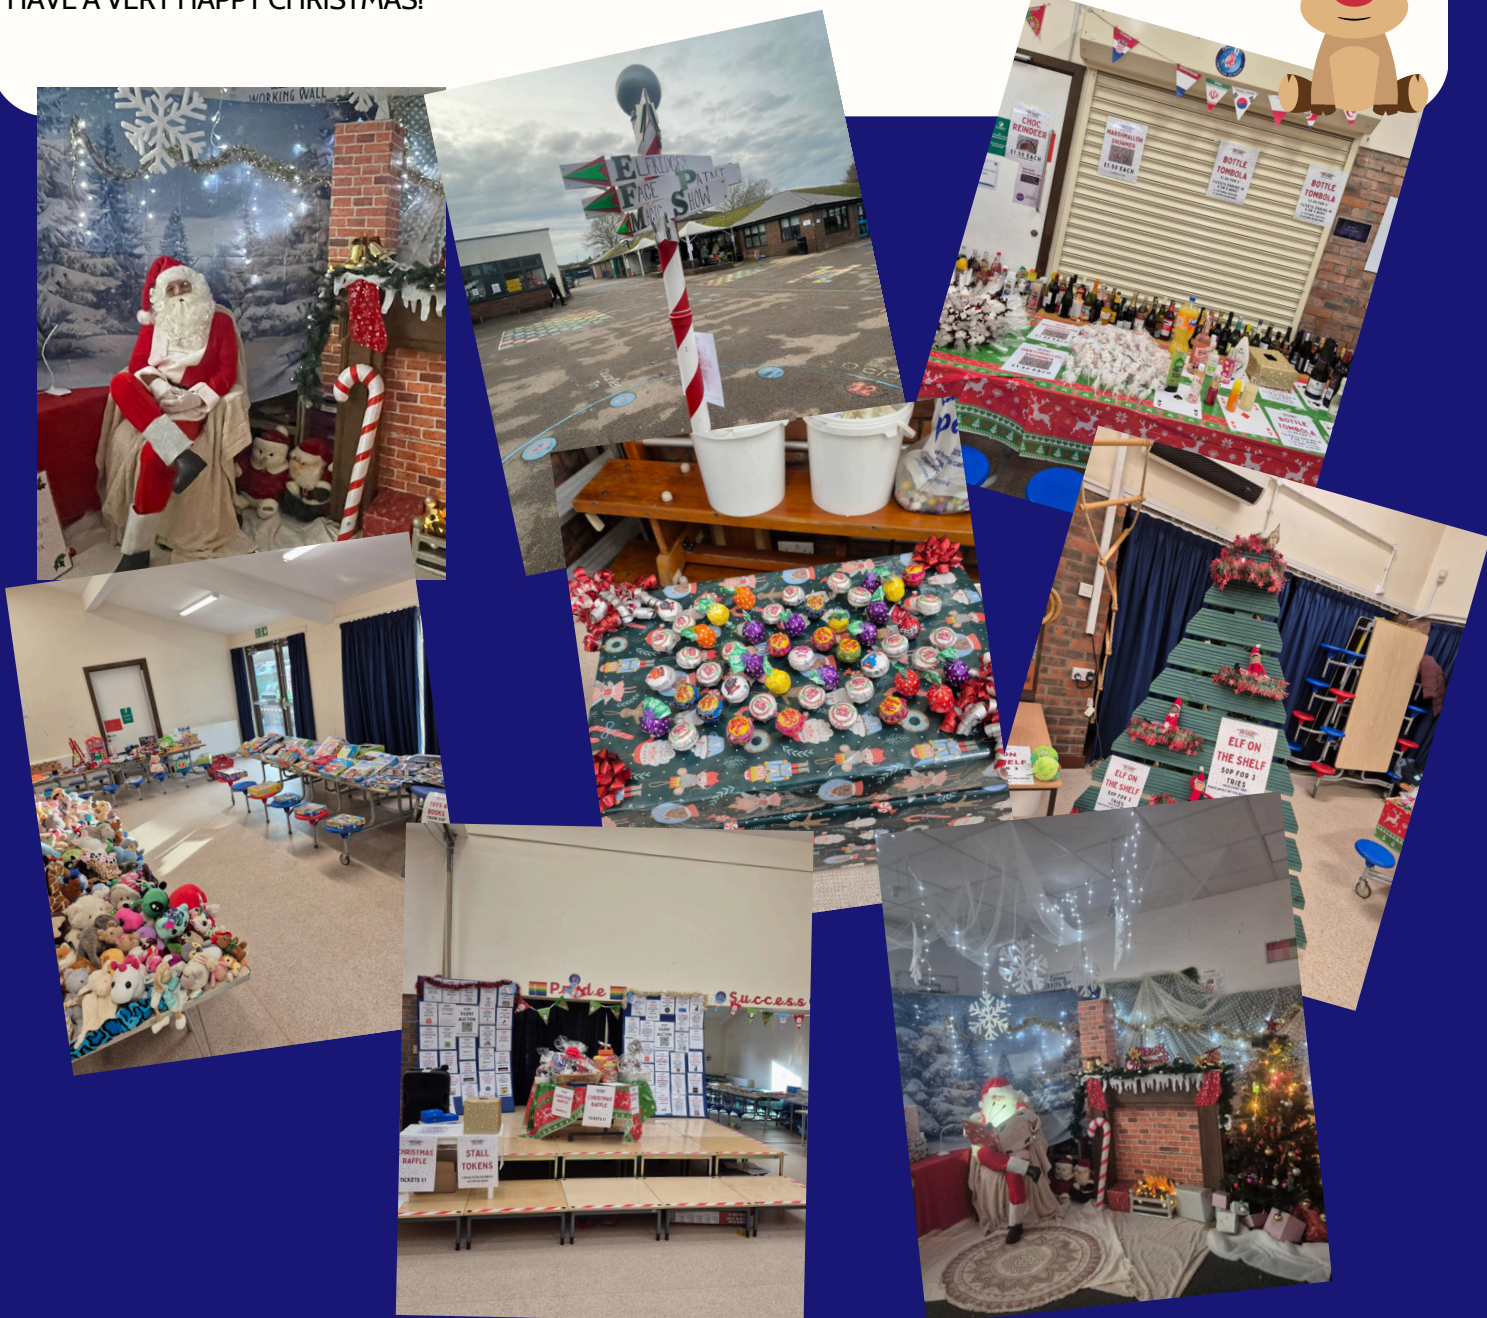

We would like to take this opportunity to thank our generous sponsors - D&R Carpentry & Building Services for sponsoring the Magic Show, Heatherlands Tree Care for sponsoring the Grotto, Chartway Partnerships Group for sponsoring the Festive Games Room and The Suggett Family for sponsoring the bar.

A HUGE thank you to everyone who made the fair a success:

- local businesses who kindly donated raffle prizes and items for the silent auction;
- parents and carers who donated and bought stall items, bought and sold raffle tickets and bid in the silent auction;
- volunteers who helped with planning in the lead up to the fair as well as parent, prefect and staff volunteers on the day;
- the school and parents in general for supporting our ideas;
- Lastly, but most importantly, to all the children and families who came along to enjoy the fair.

We could not have done any of it without your support and hope you all enjoyed yourselves.

**HAVE A VERY HAPPY CHRISTMAS!**

### Christmas Events

Santa has been very busy writing letters. Thank you to everyone that orders one, they raised **£259.**

We have used some of the money we have raised to give each class a present and message from Santa himself! The teachers chose the presents for the class and were things like wet play games and new books.

Thank you all so much for your support for making our events and donations to the school possible. We hope you have a lovely break and wish you all a very Merry Christmas and a Happy New Year - see you in 2025!
