Year 3 Summer Newsletter

Hello and welcome to the Year 3 Summer Newsletter. The children had a fantastic term of learning in spring, which was full of joyful moments and we were so proud of their achievements. This newsletter is to communicate the learning opportunities that are awaiting the children. We are excited for all the fun, exciting and engaging topics that lie in store. We have our Egyptian Day, the school sleepover and sports day, as well as lots of other learning opportunities and outcomes. Below you will find some key information about routines and learning. However, please come and see us if you have any questions.

Things to Remember

Reading

It is important that you read with your child on a daily basis. Reading has a great impact on their progress and confidence.

We check reading diaries on a **Monday** and award STARS Points accordingly. The children are strongly encouraged to record their own daily reading, overseen by an adult at home.

Spellings

We are continuing with our Grammarsaurus spellings sent weekly and due in by Thursday.

Home Learning

In addition to reading, please also use TT Rockstars and complete the half-termly, creative tasks.

PE

Year 3 have rounders on **Tuesdays** and athletics on **Thursdays**.

Children should come to school wearing their kit on these days. We kindly ask that the children have removed all jewellery and are dressed according to the uniform policy.

Website

Please check the website each week to see our weekly timetable.

Curriculum

History, Reading and Writing - Our topic this term will be Ancient Egyptians. We will be discovering what life was like during this period in our History lessons, Whole class reading and Art. Please encourage your children to bring in any books they may have linked to our learning. Our writing units will also draw upon what we are learning. You may like to purchase the books we will be using in class: Egyptian Cinderella by Shirley Climo and There is a Pharaoh in our Bath by Jeremy Strong.

Maths - We will be covering fractions, money, time, shape and statistics.

RE - This term we will be learning about Sikhism and what Sikhs value.

PE - We will be getting outdoors to learn how to play rounders and will be doing athletics to get ready for Sports day.

DT - Healthy eating week will take place across the school and the children have been growing vegetables to use in their healthy cooking.

Science - Our learning this term will be about light and forces and magnets.

PSHE - Changing me and healthy me are the themes for our PSHE units this term.
