Spelling Home Learning

In Autumn, we changed the way that we teach spelling in Key Stage 2 (Years 3-6) and we now be following the 'Grammarsaurus' spelling scheme. The scheme is designed to advance children's spelling skills beyond phonics by focussing on **morphology (the study of word structure)**. Children will learn important spelling rules and how to build **morphemes (word or part of a word of which has a meaning)**. This foundation will enable them to spell longer words, recognise patterns and decode unfamiliar words during reading. Children will be given opportunities to apply their knowledge directly to writing and, as such, there will be **no formal spelling test**. Instead, children will bring home 'spelling fluency' worksheets linked to the spelling rules they are currently learning. Children should complete these in their spelling books and return them every two weeks.

Years 1 and 2	Set and tested Thursdays
Years 3 – 5	One task set and due on a Thursday. No formal test.
Year 6	Set and tested Thursdays

Daily reading is so important and will be rewarded with lots of STARS Points.
