

Langshott Primary School

Year 6 Summer Newsletter

Welcome to the Summer Term. We have a busy term ahead: SATs week; our residential; the production; sports events and some exciting transition/leavers' activities.

We would like to take this opportunity to celebrate the children for all of their hard work this year and also you for your support. Please remember to check the website for our weekly timetable; this is a great way to prepare for secondary school and to help your child be ready and excited for the week ahead.

In the second half term, we will be taking part in Forest School with Mrs Shevel. More information will follow nearer the time.

Year 6 Items

Walking Home

Children in Year 6 are allowed to walk home at 3:15pm with written permission (form available from the school office).

PE

Year 6 have PE on Wednesday and Friday.

Water Bottles

Please provide your child with a named filled water bottle every day. They are welcome to keep it in their chair bag and refill it in the classroom.

Break Time Snack

Please provide your child with fruit for their break time snack.

Planners

Planners should be used to record home reading, but also to keep track of home learning tasks, key dates and other information. Therefore, the children should have their planners in school every day. They will be checked weekly.

Year 6 recommended reads -

- Skellig ISBN 0340944951
- Tom's Midnight Garden ISBN 0192734504
- A Boy Called Hope ISBN 1474922929
- The Good Thieves ISBN 1408882655
- The Railway Children ISBN 0571331130
- Your Passport to Argentina ISBN 1398215058
- Pig-Heart Boy ISBN 0552559792

Our Curriculum

English

This term, we will be developing our writing skills by creating texts of different genres for a variety of purposes and audiences. We will launch our writing lessons with a house brochure and complaint letter inspired by Skellig. We will continue to develop our narrative skills as well as writing balanced arguments and newspaper reports.

Mathematics

We are continuing with White Rose maths and the topics include shape, position and direction. We will continue to work on problem solving skills. If you want to do any extra learning with your child, there are booklets on the website organised by topic.

Science and PSHE

After May half term, we will be learning about changes to the body in Science and how stay safe and healthy. This links with our PSHE and RSE lessons. In **PSHE**, we will also be looking at finance, healthy eating and transition to Secondary School.

Foundation Subjects

In **Geography**, we will be learning about Argentina. In **Art**, we will be learning about the origin of graffiti. In **RE**, we will be learning about Islam. In **Spanish**, we will be learning about comics based around Mafalda. In **PE**, we will be learning Cricket and Athletics. In **DT**, we will be completing our healthy eating topic. In our **Computing** sessions, we will be using different programmes to create our own games using coding.
