### Reception Number Day – Friday 27<sup>th</sup> March 2026

Dear Parents/Carers of Children in Reception,

We are excited to inform you that on **Friday 27<sup>th</sup> March 2026**, Reception children will be celebrating Number Day! To make this day even more special, we are inviting the children to **come to school dressed as anything related to numbers!** They could dress up as:

- A number itself (e.g., "Number 5").
- A number-themed character (e.g., a dice, clock, Numberblock, money or calculator).
- A shape or pattern related to numbers.
- Anything creative that connects to numbers and counting!
- A sports person with a number on their uniform.

The possibilities are endless and we look forward to seeing the children's imaginative outfits.

We encourage you to have fun with the costumes, but please ensure that the outfits are comfortable for your child to wear throughout the school day, allowing them to participate in all the activities. The children **will not** have a normal PE lesson on this day. Please do not send them into school wearing their PE kit.

Throughout the day, the children will participate in number-themed games, activities and challenges, all designed to make learning about numbers fun and engaging. We hope this will help to foster a love for mathematics and spark curiosity in your child. We will also be promoting Numbots on this day. Children will complete a selection of activities to earn a Numbots passport and each child will have time to play Numbots on a Chromebook with a Year 6 child. A parent guide to Numbots is attached.

If you have any questions or need further information, please do not hesitate to contact us. Thank you for your continued support. We look forward to celebrating Number Day with the children!

Kind regards.

The Reception Team
