Dear Parents/Carers of Children in Year 6,

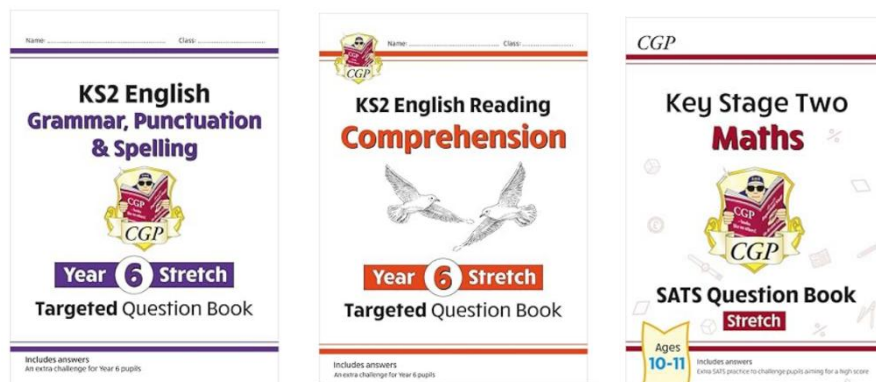

### Year 6 Easter Revision

We are so proud of how hard the children have been working, the progress they have made and how determined they are to achieve their potential in their SATs in May. Before Easter, we will share with you their most recent mock SATs scores and you will have the opportunity to discuss these at the parent/teacher consultation evening.

To support your child and to combat lost learning over the two-week Easter holidays, we would strongly recommend some revision activities. These could be completing:

- the Year 6 question book bundle available to buy on Scopay (£10)
- the Year 6 10 minute book bundle available to buy on Scopay (£12)
- past papers available for free here: <https://www.satspapersguide.co.uk/ks2-year-6-sats/ks2-year-6-sats-papers/>
- revision posters on areas they find tricky using their CGP study guides to support them.

If your child has already comfortably 'met' the required end of Year 6 standard in the most recent mock SATs and is aiming to achieve the higher level of 'greater depth', instead of purchasing the Scopay book bundles, we would recommend you purchase the 'Stretch' version of the Year 6 CGP SATs question books, available to buy on Amazon for all three of the tested subjects (EGPS, Reading and Maths).

If you are unsure of what type or level of revision would suit your child best, your child's class teacher will be only too happy to help advise you. If you struggle to motivate your child to complete revision, why not use them completing some daily revision as a way to earn a special treat or to unlock screen time, etc.

We thank you for your support with this and if you have any questions, do not hesitate to contact us.

The Year 6 Team
