

Langshott Primary School

Year 2 Summer Newsletter

Welcome to the Summer Term!

We cannot wait for another great term, full of cross-curricular learning. We are looking forward to our learning in English, Maths, Reading, Geography, Art, DT, RE, PSHE, Science and PE.

The two main topics that we will be studying are Costa Rica in Geography and Animals, including humans, in Science.

Reading

It is important that your child is read with on a daily basis. Reading has a great impact on their progress and confidence across the curriculum.

We check reading diaries on a **Monday** and award STARS Points accordingly.

Home Learning

In addition to reading, your child should learn their spellings ready for the quiz on a **Thursday**. Your child should be playing TT Rockstars weekly too.

PE

The children will be taking part in striking and fielding on **Monday** and athletics on **Wednesday**. Your child should come dressed ready for PE on these days. Please ensure they do not wear any jewellery/watches, including earrings and badges.

Website

Please check the website each week to see our weekly timetable.

Drusillas Trip

We are very excited about our visit to Drusillas on the 16th April. Please refer to the email sent for details.

Rhino Readers

These will be changed fortnightly, now the text is longer.

A few recommended reads for this term!

You could also visit the local library to look at any books linked to our topics.

The Year 2 Curriculum

English and Reading	<p>Linked to our Geography topic, we will be creating a variety of poems and writing a recount following our visit to Drusillas. Linked to our Science topic, we will be writing our own story based on the Tingatales. During our Whole Class Reading lessons, we will be looking at the books <i>Costa Rica</i>, <i>Wild World Poetry</i> and <i>There's a Snake in my School</i>.</p> 
Maths	We will be learning about fractions, time, statistics, position and direction.
Science	Our learning this term will be all about Animals, including humans.
Foundation	<ul style="list-style-type: none"> In Geography, we will learn about continents and oceans, as well as Costa Rica, including features of a rainforest. In Art, we will learn about Edward Tingatinga and we will complete dot art, based on a rainforest. In DT, we will be designing and making a moving rainforest slider mechanism. After half term, we will be taking part in Health Week and making healthy coleslaw. In RE, we will be learning about Judaism. In PSHE, we will be thinking about being healthy and learning about how our bodies change during RSE week.
