Headteacher Mrs SL Mackintosh BEd(hons) NPQH

12th November 2020

Dear Parents/Carers of Children in Year 4,

Thank you for being so supportive. Year 4 is a very happy place to be. Here are some updates for you:

Year 4 Arithmetic Booster

Just a reminder that the next (and final) dates are 26th November and 3rd December. **No sessions on 12th or 19th November.**

Film Night

Our film night is taking place on Friday 13th November and the children are allowed to bring snacks (to be kept in their bag - no nuts please). Please collect at 5:15pm from the hall, observing social distancing and wearing a mask.

Spelling

Thank you for your support with learning spelling rules and words at home. From this week, your child will be bringing home their spelling test result (we have a new spelling test sheet). Please be assured that we continue to address the words and rules in class, but you are welcome to work on them again at home if you wish.

Arithmetic Tests

The children are making great progress. We go through strategies and answers in class and some children receive 1:1 post-teaching support. We only send them home to make you aware of their scores and progress. However, you are welcome to use a CGP Guide to go through them too!

Year 4 Assessments

As you will know from our weekly timetable, we are in our assessment phase at the moment. We will be sending the completed tests home at a later date and you are welcome to go through them with your child.

TTRockstars

We get some incredible scores in Year 4 and we see the progress in our weekly sound check and arithmetic scores. Keep up the good work!

Timetables

Just a reminder that we save our weekly timetable on the Year 4 page on the website. Paper copies are also available in class.

Many thanks for your support and please contact us if you have any questions.

Best wishes,

The Year 4 Team
