Gadgeteers, Summer Reading Challenge 2022

Starting from 9th July until 17 September, Surrey Libraries are excited to launch the Summer of Reading. Children can join the free Summer Reading Challenge at their local library, help six Gadgeteers and become a party-planning science visionary!

Organised by the Reading Agency, the theme this year is Gadgeteers, and has been developed in partnership with The Science Museum Group, whose leading exhibitions inspire over 5 million visitors each year. This year's Challenge will be a celebration of reading, science and innovation. Gadgeteers will inspire children to discover the science in everyday things like music, fashion, sport and cooking.

Designed for all reading abilities, children can choose whatever books, audiobooks, comics, ebooks or eAudiobooks they like to complete the Challenge. Every participant receives stickers and other incentives along the way. Those children who read or listen to six books are presented with a personalised certificate and an amazing medal. To bring the Challenge to life, please have a look at our Summer Reading Challenge 2022 [YouTube video](#). Feel free to share this with the children and parents if you can.

The Challenge is great fun, so why not ask the children to visit their local Surrey Library with their parents/guardians so they can enjoy their reading throughout the summer holiday. Surrey Libraries will organise plenty of events and activities, both in libraries and online so please make sure you check Surrey Libraries' [webpage](#) and social media for more information closer to 9th July.

If your school is interested in visiting your local library or find out if library staff can visit your school to promote the Challenge, please send an email to libraries@surreycc.gov.uk.

Summer Reading Challenge 2022

**Presented by The Reading Agency.
Delivered in partnership with libraries.**
