Headteacher Mrs SL Mackintosh BEd(hons) NPQH

11<sup>th</sup> November 2022

Dear Parents/Carers of Children in Years 2 – 6,

### England Rocks Competition (Times Tables Rock Stars)

We are celebrating Maths Week England by taking part in a friendly times tables (and division) competition. The competition runs from 07:30 on Monday 14<sup>th</sup> to 19:30 Wednesday 16<sup>th</sup> November. It is all done online via <https://play.ttrockstars.com/>

Children can play in any game mode. Every correct answer to a multiplication or division question will earn them, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during competition hours), subject to a daily limit of 60 minutes. Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily limit of 60 minutes per player. Once the player goes beyond 60 minutes of play on that day, they will still earn coins, but they will no longer earn points towards the competition.

Times Tables Rock Stars will award prizes to the top three classes across the whole competition and as a school, we will be celebrating class and individual achievements with certificates in assembly. The children will be taking part in a battle at this time anyway, so this is not an extra task. However, it is a great way to feel connected to other classes and schools across the country and the world!

Yours sincerely,

Mrs Mackintosh
