## QUIZ NIGHT

Thank you to everyone who came to our quiz night in November - it was a full house and a fantastic time was had by all! We had lots of winners on the night, with some fantastic raffle prizes donated by the teams, but the winning quiz team was The Quizzee Rascals who just pipped the Teacher's team to the post! Both teams donated their prize money back to the school which was a lovely gesture and greatly appreciated.

A grand total of **£507** was raised from the event which will be used to buy the school a new PA system. Thank you for helping us reach this goal!

## Christmas Fair

Thank you to everybody who attended our Christmas Fair on Friday 2nd December - it was a fantastic event and, combined with our hugely successful raffle and silent auction we have raised just over **£6000!!!**

The money raised will be used to replace some of the school's playground equipment for something that is all weather and non-slip, so that the children can use it all year round - even in the wet!

We would like to say a HUGE thank you to everyone who made the fair a success - from the volunteers who helped with planning in the lead up, parent, prefect and teacher helpers on the day and all of our generous sponsors and donors.... to the school and parents in general for supporting our endeavours and lastly, but most importantly, to all of the children and families who came along to enjoy the fair. We could not have done any of it without your support and hope you all enjoyed yourselves.

## Upcoming Events for next term:

(Dates to be confirmed)

**Donuts & Hot Chocolate**

**Disco**

**Easter Hunt**

**Doughies Pizza**

At the end of term every class will receive a special delivery - a sack full of presents accompanied by a video message from Father Christmas! We asked each class teacher to compile a wishlist of gifts that their class would like - games, puzzles, books and more! The Friends have purchased all of these items from money raised from our Halloween events and can't wait for the children to unwrap their gifts!

Once again thank you for all your support for making our events and donations to the school possible. We hope you have a lovely break and wish you all a very Merry Christmas and a Happy New Year - see you in 2023!

From Carina, Jo & Parus (The Friends of Langshott trustees)
